GOVERNOR PEN PORTRAIT

|------------------|---|
| NAME : | Barry Curran |
| POSITION : | Foundation Governor |
| BACKGROUND : | I am a retired former local councillor and mayor of the city. I previously worked in the gas industry for 40 years and ended my working life as a learning and development officer. I have been actively involved with the school over a number of years with my role as councillor/mayor, and as a grandparent to two of my grandchildren, one who still attends the school. |
| IN SCHOOL : | I sit on the school curriculum committee, and take an active interest in its planning. I have been involved with Year 5/6 in a local history subject in the school and hope to follow this up with further work around this subject. |
| OUTSIDE SCHOOL : | I am a trustee of two organisations, one which looks at railway heritage and the other concerning adults with cerebral palsy and learning difficulties. I am also a school governor at Dame Dorothy Primary (11 years) and a patron of Sunderland Symphony Orchestra. I also have a number of hobbies which keeps me active, outside of school. |
