Additional detail

The progress of all our children, including our PP children is monitored regularly by the Headteacher, DHT, phase leaders, subject leads, SENDCo and class teachers. Formal monitoring happens once a term and in some areas half termly and necessary actions are agreed to prevent any child falling behind and to ensure high achievers remain challenged. Intervention programmes and whole school strategies are evaluated closely by all stakeholders and the impact measured. This information is used to decide future actions.

As a school we desire to see the gaps closing between our PP pupils and our no PP. Our actions are not taken lightly, but are formulated from many meetings, discussions, analysis of data and on-going teacher day-to-day feedback.
