

Lunchtime Arrangements

St Benet's RC Primary School promotes a healthy lifestyle to all of our stakeholders. Our school cook, Andrea Layfield and her staff freshly prepare lunch daily on our premises every day. The cost is £9.50 per week for a two course meal including a drink. The menu is a three week cycle and is available from the school office or it is published in the Sunderland Echo every Saturday. Packed lunches from home are permitted in school. However, we ask that these include healthy foods, no sweets or fizzy drinks please. We also stress that hot food in flasks is not allowed as children find this hard to manage and if spilt could be dangerous.

If you wish to change your child's lunch arrangements, please inform the school office at least two weeks prior to this change.

Payment for lunches can be sent into school each Monday morning or can be paid half termly in advance. You can pay by cash or cheque (please make cheques payable to 'City of Sunderland' or through our online payment system. The link for this is: www.sunderland.gov.uk - 'Do it online' and then follow the simple steps to make payment.
