Just a few thanks, reminders and dates for your diaries!

Language Day: Our celebration of languages in September was a great success. Many thanks to all of visitors for their support and a big thank you to Mrs Austin for organising the event. The children thoroughly enjoyed it.

Lunches and snacks:

Please remember that children should have no items containing nuts in their lunch box. We also request that no sweets are in also. Healthy snacks should be given for break times. Could we also remind you that children need a labelled water bottle for during the day. Many thanks,

Sports' Days: Thank you to our families for attending our Junior Sports' Days. Unfortunately the weather was not kind to us for our Infant Sports' Day but the children had a great time competing indoors. A big thank you to Mr Jackson for organising all the sports and also to the children from St Aidan's Catholic Academy who supported us on the days.

Parents' evenings: Many thanks to our families who turned out in force for our open meetings. Thanks for your support. If anyone was unable to come please arrange for another appointment.

We have a vacancy for a Lunchtime Supervisory Assistant —could anyone interested please contact the school office on 5535370. Many thanks.

Uniform: Can we please remind you to label the children's clothing. And could we ask all families to check labels over the half-term break, as we've had a few items missing over this term. Thanks in anticipation of your support.

Arbeia: The children had a super day at Arbeia and have enjoyed using this experience to enhance their project on the Romans.

Thanks to the parents who supported and offered to support. Your help is very much appreciated.
