As the North East gets ready to welcome the Rugby World Cup later this year, Sunderland RFC (established in 1873) mini section are running a **free**, open fun day to KS2 children on Wednesday, May 27, from 11-1pm, to try rugby.

The event, run in conjunction with school sports provider NERL skills, will offer children from Y3 to Y6 the chance to experience a new sport in a safe and supportive environment.

We welcome children of all abilities and the emphasis is fun, respect, sportsmanship, but most of all, the willingness to try a new sport.

A flyer is attached containing all the details of the day. We would appreciate your help in publicising our event to your children, at this busy time of the year.

Thank you.
