Dear Parents/Carers,

It is of paramount importance to all staff and governors' of St Benet's that our children and families come to school feeling safe and happy. I know that all our parents/carers strive for this atmosphere too.

If parents are sharing concerns with each other it is hoped that this is done away from children and privately. No children, families or staff should witness unpleasant exchanges between adults. This leads to our children, families and staff feeling unsafe and upset.

At St Benet's we pride ourselves on the safeguarding of our children and families. Thank you in anticipation of your support.

Yours sincerely,

Ann Blakey, Headteacher
